ADMINISTRATION, FULL PERSONAL CREDIT REPORT, AND MARKETING CONSENTS

Social Insurance Number (the "SIN") for Administration Purposes Consent

- I consent to the Financial Institution and its agents and representatives collecting, using, and disclosing my SIN to administer the Account; to keep my records with the Financial Institution separate from other individuals with the same name; and to identify me, including for credit report purposes, if I have consented to a Full Personal Credit Report below.
- I do not consent to the above collection, use, and/or disclosure of my personal information. My refusal to consent may cause a delay in the provision of products or services that I request. My consent is not required where the Financial Institution collects, uses, and discloses my SIN for the purposes of, and in keeping with, legislative requirements, including tax reporting requirements. The Financial Institution will inform me if additional consent is required in relation to the provision of future products or services.

Full Personal Credit Report Consent

- To enable the Financial Institution to assess the risk of providing provisional credit, such as a reduced deposit hold period, to me or the third party for whom I am acting, I consent to the Financial Institution obtaining my full personal credit report from credit reporting agencies and providing information about my credit history and other personal information to other financial institutions and credit reporting agencies to update my credit information and maintain the integrity of the credit reporting system. I consent to the Financial Institution obtaining my full personal credit reports, from time to time, for the same risk assessment, updating, and maintenance purposes.
Absent this consent, I understand the Financial Institution will be permitted to use other credit reporting agency products to verify my identity and for the other purposes set out below in the Personal Information Consent section.
- I do not consent to the above collection, use, and/or disclosure of my personal information. My refusal to consent may mean the Financial Institution is unable to provide me or the third party for whom I am acting with the products or services that involve provisional credit, such as a reduced deposit hold period. The Financial Institution will inform me if additional consent is required in relation to the provision of future products or services.
