## Flexible Commercial Lending Solutions

At Kawartha Credit Union, we know that every business is different and so are its financing requirements. Our suite of products offer competitive lending solutions and tiered interest rates. We are committed to helping you grow your business or agri-business, with flexible lending solutions, responsive service and quick turnaround on credit applications.

### Commercial Loans

Financing is available to assist your business with the purchase of a new property or to renovate and expand existing premises. Financing is available for income generating properties, agricultural properties, multi-residential units, plazas, shopping and retail centres, office buildings and industrial buildings. A full range of competitive rates, flexible repayment terms and options are available depending on the type of real estate and repayment capability.

### Lines of Credit

Our Line of Credit is a flexible lending solution designed to help you meet the day-to-day cash flow requirements of your business or agri-business. With a preapproved limit, funds are available for your business to borrow what is needed, when it is needed.

### Small Business Flex-Financing

We're here for you through each stage of your business. Small Business Flex is geared towards entrepreneurs and is start-up friendly. It provides the ability to borrow funds as a term loan or line of credit. We offer competitive interest rates and the ability to secure loans for both new and existing businesses.

## Additional Services

### Automated Funds Transfer/Electronic Funds Transfer Services

Kawartha Credit Union offers Automated Funds Transfer service providing business members the convenience and flexibility to move funds electronically to and from other Canadian financial institutions. # Business Accounts and Packages

We provide our business members with effective, convenient and competitive financial solutions. Our business account products include basic daily operating accounts and an interest savings account. Our business accounts pay competitive tiered interest rates on your credit balances. Interest is calculated on the daily closing balance and paid monthly.

**Business Chequing Account** – The cost of deposits, withdrawals and other account transaction services are calculated according to the Standard Service Fees and charged monthly. Monthly account maintenance fee is \$5.00.

**Business Savings Account** – The cost of deposits and other account transaction services are calculated according to the Standard Service Fees and charged monthly.

**Business Packages** – We offer a selection of plan options designed for small to mid-sized business members. Our plans are ideal for members looking for the convenience of a comprehensive business package, providing options with corresponding fixed monthly fees.

## Specialty Accounts

**Professional Business Plans (ProPlan Lite and ProPlan Unlimited)**  
Plans designed specifically for business, legal, or medical professionals and their unique banking needs. These plans can include up to 100% financing for practice-related real estate purchases and/or equipment and leasehold improvements. For more information see fees for ProPlan Lite and ProPlan Unlimited below.

**Registered Charity Account**  
An interest bearing chequing account designed exclusively for registered charities. Only organizations with a registered charitable tax number are eligible for this account.

**Community Account**  
An interest bearing chequing account designed for small local organizations. A reduced (discounted) deposit fee and monthly maintenance fee provide a low cost business account for community organizations.

**Business High interest Savings Account (HISA)**  
An interest-bearing savings account designed for businesses looking to take advantage of higher interest rates. Tiered interest is accrued daily and paid at the end of the month, based on end of day balances. The cost of deposits is included, and a \$5.00 fee applies to transactions in excess of two free withdrawals each month.
